## WHAT'S NEW AT WFDC

### APRIL

**4/13/2020 – Wells Fargo** is once again supporting WFDC Aerospace Assembly Mechanic Apprenticeship Program! Wells Fargo provided grant funding to support our student trainee apprenticeship program! This grant will provide tooling and instructional materials for our student trainees!

### MAY

5/5/20 – 5/6/20

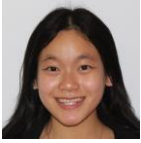

Thank you so much to our community for the generous donations we received during 2020 GiveBIGWA! We received donations via the GiveBIG website but also through our own FB page and by mail! Donations come straight to WFDC and directly support our Apprenticeship Program. We are so grateful for the support we received from our friends at ATS, retired Granite Falls HS liaison Dr. Rebecca Delaney and friends in our community. See the next page to get the concrete evidence of the impact your support makes in the lives of our young people! <https://www.facebook.com/WorkForceDevelopmentCenter>

5/27/20 – The William C. Butler and Eleanor E. Butler Trust once again, has invested in the vocational training and job placement program of WFDC! We are grateful for the support of the Trust and appreciate the advocacy for our student trainees!

5/21/2020 – Liberty Mutual is a consistent supporter of WFDC and especially during the pandemic! Liberty Mutual provided Emergency Funding to help us keep our employees safe with IR thermometers, PPE and additional facility cleaning and supplies. WFDC is grateful for the unwavering advocacy of Liberty Mutual.
